European Society of Regional Anaesthesia and Pain Therapy is delighted to invite you to Oslo for its 42th Annual congress in 2025

Dear Colleagues, Friends and Collaborators

The world comes closer in regional anesthesia and pain medicine so that our journey continues. The 42nd European Society of Regional Anaesthesia and Pain Therapy (ESRA) annual congress will take place in global city Oslo with a unique mix of futuristic architecture and old world charm in the stunning Oslofjord.

A vibrant and rich city full of fun spirit nearby nature invites. Ranking high on sustainability Norway's capital offers discoveries into the history of Vikings, the polar region, the largest sculpture park and the Munch museum, to name a few.

The Congress Scientific and Local Organizing Committees, supported by an extensive International Experts Group, have built an comprehensive and high-quality Scientific Program for both young and experienced Delegates.

More than 100 well-respected international experts and KOL, as well as the rising stars of the future, all serving on our faculty team. Joining together an audience of many thousands of participants, with a representation from more than 50 countries from all over the world, this is Your opportunity in 2025 to network, as well as to share and underpin the latest updates, advancements and leading-edge research and innovation across the spectrum of Regional Anaesthesia (RA), Perioperative care, PoCUS (Point of Care Ultrasound) and Acute Postoperative & chronic Pain Management.

Traditionally, the ESRA Annual Congress is included amongst the most influential Anaesthesia and Pain Medicine platforms for clinicians, researchers, scientists and industry representatives from all over the world, with its high scientific standard being recognized and highly rated by the Accreditation Council for Continuing Medical Education.

We again drive interactivity, deepen collaboration, accelerate promotion of science and networking, and encourage knowledge sharing, via state-of-the-art presentations on our fields, as well as by highlighting new insights into basic science, clinical research and therapeutic interventions.

A vibrant and rich city full of fun spirit nearby nature invites. Ranking high on sustainability Norway's capital offers discoveries into the history of Vikings, the polar region, the largest sculpture park and the Munch museum, to name a few.

Ost 2025

This Meeting Format will again encourage an active interplay in between faculty and delegates, framed by your input, commitment and pro-action. Accordingly, the Scientific Program will comprise of:

- multiple exciting learning opportunities specifically designed for Residents, Trainees and Fellows.
- Free Papers and E-Posters Sessions to be rewarded with numerous prizes on RA and Chronic Pain
- Video-, Infographis- & Foto - Contest.
- a busy large exhibition area will be available for the presentation of latest innovations from our industry supporters.
- written and oral exams of the well-established EDRA and EDPM ESRA Diplomas will take place in parallel with the congress main scientific program, or as a post-congress activity.

Last but not least, a variety of social activities and unique networking events will be organized, such as the Congress Opening Ceremony & Welcome Session, an exceptional Networking Reception, the Networking on The Run (formerly known as FUN run), the Trainees & Diplomates Reception, the Annual Networking Dinner & Celebration, and the Farewell Reception at the end of the congress, all befitting in Prague, our ideal location.

Counting everbodys support, enthusiasm and fruitful participation, we are preparing another inspiring congress, and we are excited to have you all along our side! On behalf of the organizing team, we look forward to sharing and interacting with our colleagues across the globe and meet you all in former Christiania, the Tiger City ,

in September 2025, for another memorable experience

Oslo 2025 Sponsorship Opportunities

Industry Symposia and Luncheon Workshops sessions

The main objective of an industry sponsored symposium is the communication of scientific material to enhance the knowledge of attendees. During Annual Congress 2025 there are a select number of opportunities for your organization to host their own industry sponsored symposium.

There are two options available:

- 1. industry sponsored symposium during the Scientific sessions**
- 2. lunch time industry sponsored symposium**

Price: €25,000 (up to 200 people/ room capacity)

The two options offer the following:

- Hiring of the room, standard audio and video equipment, audiovisual technician, microphones for speakers and audience, publication of the Industry symposium programme on the conference website and in the Congress App and one hostess at the entrance of the room.
- The content of the workshop must be submitted to the congress Scientific committee for approval in advance (deadline 1 July 2025). You must take charge of the speakers of your session (travel fees and 2-night stay)
- The company may present products (aimed at improving quality, care and patient service), either by means of scientific presentations and a discussion forum, or with a practical session demonstrating the placement and use of medical material.
- The symposia/lunch sessions will be promoted on the congress website and via push notifications on the smartphone app.

OPTIONS:

New this year: QUIZ / POLL DURING YOUR SPONSORED SESSION

This is an efficient way to engage with the audience during your symposium. Interactive features such as a vote or questions to the audience (quiz) can be implemented. WiFi, laptop, implementation, technical assistance, briefing for the chairperson and post-congress statistics are included.
